Boxes of Substantive Laws of Belize being shipped from Anguilla

Thursday 30 April, 2015 the Valley. The Centre records another milestone with the loading of a 20ft container containing 250 boxes of the Revised Edition of the Substantive laws of Belize. This marks a great achievement for the Centre as it continues to extend its products and services to the Caribbean and other jurisdictions.

Ms. Yolande Dash, Manager of the Centre said "We are quite pleased that this

proofreading services to the Government of Belize for the Belize Law Revision and subsequently published the Revision in print edition and CD-ROM publication. This shipment of Law Booklets will leave Anguilla on Monday 11th May destined for Belmopan, Belize.

production is completed and will be sent out next week. The timing is perfect as we commence a Consolidation and Revision production for the Government of the Bahamas later this month."

Today's shipment marks the third production that the Centre has shipped out so far this year, in February the Centre shipped the Revised Edition of the Laws of

Montserrat and shipped the Revised Edition of the Laws of the Turks and Caicos Islands in March. Attorney General Hon. Rupert Jones, who also serves as a Director of the Centre, commented "I am proud of the work done by the Centre, which I consider to be a beacon of excellence. Due to the quality and standard of their products and services they continue to make their mark throughout the Region

and Internationally."

The Centre provides a suite of products and services such as: Law Consolidation and Revision, Data Capture, Printing, Electronic Publishing on CD-ROM, Ipad and electronic tablets, E-commerce website and Consolidation of Laws Training. The Centre will soon launch a new service which will provide personalized hard cover binding to

government entities and local businesses.
